MOTOTRBO DM1400 AND DM1600 ACCESSORIES

MAKE IT EASY TO BE MORE EFFICIENT ON THE JOB

Simple, clear voice communication is a "must have" for your operation. We understand – that's why analogue or digital, our MOTOTRBO™ portfolio is renowned for clear connections and better workforce collaborations.

We realise that to help you excel in your job, you need accessories that match the performance of your MOTOTRBO radio – that truly fit your work environment. When you use our accessories with your mobile radio, you are simply more efficient.

That's why it's important to use Motorola Original® accessories with the DM1400 and DM1600. They're the only ones designed, built and tested with your mobile radio to optimise its performance.

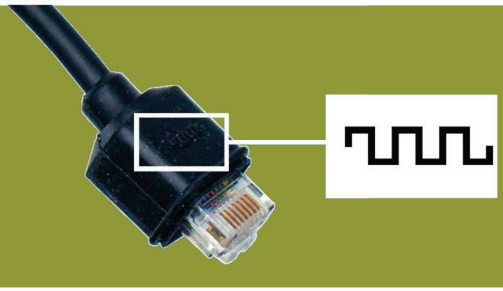

Only Motorola accessories unleash the full power of MOTOTRBO – the most advanced digital radio platform in the industry. So as radio users deliver packages, dispatch trucks and coordinate shipments, they can work more easily and efficiently with our comfortable, convenient and practical accessories.

Combine our best-in-class radios with DM1400/ DM1600 accessories to achieve even greater efficiency and cost-savings. **Together, you'll rethink what's an accessory – and what's a necessity.**

TURN EVERYDAY EFFORTS INTO MORE EFFICIENT INTERACTIONS

OPTIMISED FOR DIGITAL

Make sure to only use Motorola audio accessories with this digital symbol, it indicates these accessories have been optimised for performance in both digital and analogue mode. All accessories with this symbol have been certified and approved for DM1400/DM1600 mobile radios.

MOBILE MICROPHONES

Find the right microphone for the way you work – whether you're delivering packages around town or transporting passengers.

Choose from four different styles:

Compact microphones fit comfortably in your hand for quick, convenient communication

Keypad microphones let you easily navigate menus on your radio, dial numbers and more

Heavy-duty microphones are ruggedised and easy to use while wearing gloves

Telephone-style handset lets you communicate more discreetly, so others can't listen in on your conversation

PERFORMANCE THAT SPEAKS FOR ITSELF

MOBILE MICROPHONES

PMMN4090	Compact Microphone
PMMN4091	Heavy Duty Microphone
PMMN4089	Keypad Microphone
GMMN4065	Visor Microphone
PMLN6481	Telephone Style Handset with hang-up cup
HLN9073	Microphone Hang-up Clip (requires installation)

VEHICLE SOLUTIONS

Communicate safely with these essential vehicle solutions, wherever the work takes you – from the tram or bus to the short-haul delivery truck.

Clip the **visor microphone** to your vehicle's sun visor, so you don't have to hold a microphone. Combine it with one of our remote push-to-talk options: a **pushbutton** mounted on the steering wheel, a flexible gooseneck within easy reach or a **footswitch** mounted on the floor, to provide a complete hands free communication solution.

KEEP YOUR EYES ON THE ROAD AND YOUR HANDS ON THE WHEEL

VEHICLE PUSH-TO-TALKS

RLN4836	Emergency Footswitch
RLN4857	Remote Mount Pushbutton Push-to-Talk
